

## **Centers for Disease Control and Prevention**

### **FY2020 Grant Funding Profiles**

#### **What's New**

The Centers for Disease Control and Prevention (CDC) updated the CDC Grant Funding Profiles for fiscal year 2020 (FY20) in the following ways:

- The FY20 funding data and profiles have been added
- Funding categories and subcategories are based primarily on CDC's [FY20 CDC Operating Plan](#). Additional funding categories and subcategories also were included to capture FY20 COVID-19 supplemental funding, whether directly appropriated to CDC or through funding transfers from the Department of Health and Human Services.
- All documentation for the profiles, such as "[About the Data](#)," has been updated as needed, based on the operating plan and inclusion of COVID-19 funding.
